FOREWARD

The difficulties of adequately describing the problems encountered on IWO JIMA in the Divisions Operation Report prompted the preparation of this Photographic Supplement. Its contents are arranged to illustrate activities of the four staff sections.

The photographs were taken and the supplement prepared by the Division Intelligence Section.

~~UNCLASSIFIED~~

1.

~~UNCLASSIFIED~~

~~UNCLASSIFIED~~

PICTORIAL SUPPLEMENT TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA

UPPER PHOTO

#4157. 1 March, 1945 (D-plus-10).

C-47 drops the first mail by parachute on Airfield #1.

LOWER PHOTO

#3997.

First mail received at the 24th Regiment Post Office.

NOTE: Captions refer to the photographs on the photographic sheet immediately facing them. Sheet numbers apply both to the caption page on which they are found and to the sheet of photographs to which the captions apply.

~~UNCLASSIFIED~~

**G-1**

SHEET NO 1

**UNCLASSIFIED**

PICTORIAL SUPPLEMENT TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA

UPPER PHOTO

#3511. 15 March, 1945 (D-plus-24).

Marines of 4th Marine Division inspect long rows of grave markers in search of familiar names.

LOWER PHOTO

#3461. 15 March, 1945 (D-plus-24).

Heads are bared in respect for fallen comrades at cemetery's dedication.

SHEET NO 2

**UNCLASSIFIED**

SHEET NO 2

~~UNCLASSIFIED~~

PICTORIAL SUPPLEMENT TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA

##3035 and 3460. 15 March, 1945 (D-plus-24).

The honor guard salutes the dead, then stands at attention as the flag is raised over the 4th Marine Division Cemetery.

SHEET NO 3

~~UNCLASSIFIED~~

SHEET NO 3

~~UNCLASSIFIED~~

PICTORIAL SUPPLEMENT TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA

UPPER PHOTO

#3634. Target Area 183Y.

Rear entrance to an enemy covered artillery position. This position was on the ridge above Beach BLUE 2. The field of fire commands all east beaches.

LOWER PHOTO

#3653. Target Area 149B.

Firing aperture of a reinforced concrete pillbox. Many pillboxes of this type were encountered in the Division's zone of action.

SHEET NO 4

~~UNCLASSIFIED~~

**G-2**

**SHEET NO 4**

**UNCLASSIFIED**

PICTORIAL SUPPLEMENT TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA

UPPER PHOTO

#4181.

This blockhouse received eight hits by U. S. 7.2 inch rockets.

LOWER PHOTO

#3003.

View of a massive communication center with reinforced concrete walls four feet thick.

SHEET NO 5

**UNCLASSIFIED**

SHEET NO 5

**UNCLASSIFIED**

PICTORIAL SUPPLEMENT TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA

UPPER PHOTO

#4141. Target Area 184V.

Frontal view of a 120mm coastal defense gun in a blockhouse overlooking right flank of BLUE Beaches. This position was completely obscured by camouflage in preliminary photographic coverage.

LOWER PHOTO

#4064. Target Area 147T.

120mm dual purpose gun in an open camouflaged emplacement.

SHEET NO 6

**UNCLASSIFIED**

SHEET NO 6

~~UNCLASSIFIED~~

PICTORIAL SUPPLEMENT TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA

UPPER PHOTO

#3052. Target Area 182U.

Rear view of a 120mm dual purpose gun in an open emplacement.

LOWER PHOTO

#4132. Target Area 184W.

Model 38, 75mm field gun in a covered position. Such emplacements were mutually supporting and well concealed in commanding terrain.

SHEET NO 7

~~UNCLASSIFIED~~

  
  
SHEET NO 7

~~UNCLASSIFIED~~

-----  
PICTORIAL SUPPLEMENT TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA  
-----

UPPER PHOTO

#3265. Target Area 184A.

Casemated position housing a Japanese model 38, 75mm field gun. Adjacent pillboxes and rifle trenches strengthen the position.

LOWER PHOTO

#3986. Target Area 201W.

Partially camouflaged Japanese 47mm anti-tank gun. Alternate positions were prepared in many instances.

~~UNCLASSIFIED~~

SHEET NO 8

~~UNCLASSIFIED~~

PICTORIAL SUPPLEMENT TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA

UPPER PHOTO

#4119. Target Area 164E.

Japanese twin-mount 25mm anti-aircraft guns in revetted dual purpose emplacement. Devastating air strikes failed to silence many such positions.

LOWER PHOTO

#3158. Target Area 166C.

A Japanese 25mm anti-tank, anti-boat gun housed in this pillbox presented an obstacle which could be located and knocked out only by advancing infantrymen.

~~UNCLASSIFIED~~

[REDACTED]

**UNCLASSIFIED**

PICTORIAL SUPPLEMENT TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA

UPPER PHOTO

#3353. Target Area 200Y.

Enemy light tank, model 96, concealed in a deep crevice. From such well defiladed positions, enemy tanks covered approaches to Hill 382.

LOWER PHOTO

#3299. Target Area 201N.

Well camouflaged, model 96, Japanese light tank in an open revetment. Tanks were in prepared positions on the commanding high ground.

SHEET NO 10

**UNCLASSIFIED**

**UNCLASSIFIED**

-----  
TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA  
-----

LEFT PHOTO

#3361. Target Area 200Y.

Japanese medium tank, model 97, with 47mm gun, entrenched in the western slope of Hill 382. The field of fire includes a large area of Airfield #2.

RIGHT PHOTO

#3814. Target Area 201M.

Japanese medium tank, model 97, with 47mm gun, in a revetted and camouflaged position. A wrecked enemy truck is in the background.

SHEET NO 11

**UNCLASSIFIED**

  
  
SHEET NO 11

UPPER PHOTO

#3337. Target Area 183Q.

320mm spigot mortar emplacement. Firing data indicated BLUE and YELLOW Beaches as primary target, with Airfield #1 as alternate target.

LOWER PHOTO

#3221. Target Area 182X.

320mm spigot mortar emplacement. Note camouflage net and the entrance to small tunnel for personnel during firing.

[REDACTED]

[REDACTED]

SHEET NO 13

~~UNCLASSIFIED~~

PICTORIAL SUPPLEMENT TO FOURTH MARINE DIVISION OPERATION REPORT IWO JIMA

UPPER PHOTO

#3419.

View of 300mm rocket, nine feet, five inches in length, weighing 750 lbs. Disassembled 320mm spigot mortar projectile is also shown.

LOWER PHOTO

#4250. Target Area 184Q.

Rocket launching emplacement with rocket motor in the trough. Entrance to ammunition storage cave at left center of the photo. Position prepared to cover eastern beaches and Airfield #1.

SHEET NO 14

~~UNCLASSIFIED~~

**SHEET NO 14**

UPPER PHOTO

#4075. Target Area 183N.

200mm mobile rocket launcher. Initially, these launchers were grouped in batteries of four. Each position included open re-vetted firing site and a covered shelter for launcher concealment when not firing.

LOWER PHOTO

#3031.

View of a breech-loading 200mm mobile rocket launcher. Note firing pin mechanism.
